SUBJECT: Reorganization of OCB

Yesterday Mr. Rockefeller was scheduled to discuss with the President's Advisory Committee on Government Organization the proposed reorganization of the OCB which Mr. Rockefeller drafted as one of his final actions. The subject was not considered by the Organization Committee; just prior to its meeting, Governor Adams informed Mr. Rockefeller that the President had asked Mr. William Jackson to make a second annual review of OCB, with particular reference to the Rockefeller proposals. The President did not wish two studies of the same subject at the same time.

I learned this from Mr. Rockefeller last night and felt you would want to be informed prior to today's OCB meeting, particularly since I understand Mr. Staats has been preparing a review of OCB activities which might soon come before the Board.
